

## WoodyWalk

If the word didn't already exist, we would have invented it – experience hiking: Giant slide, climbing tree or Kneipp facility, children love the play and adventure stations on the family trail WoodyWalk. Always accompanied by the marvellous views of the UNESCO World Heritage Dolomites. The popular family hiking trail starts at the mountain station of the PLOSE gondola lift and leads to one of the most beautiful alpine huts in South Tyrol, the lodge Rossalm.
